Thanks to the newest technologies, the product will save your time and energy during the installation and let you enjoy your brand new space for many years.

What makes Rocko Tiles so unique?

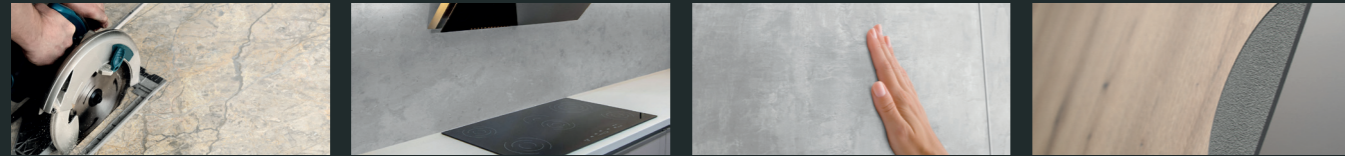

Waterproof

Stable dimensions

Stain proof & easy clean

Scratch resistant

Fast, clean, easy installation

Fire resistant

Soft touch

Mineral based monolith, 74% Marble

- Thin tiles, large format & light weight compared to quartz slabs and sinters
- Quick installation, easy to process & transport, suitable on various surfaces: concrete, old tiles, brick, plasterboards, wood
- Pattern-matching between the tiles of the same decor, minimum number of connections
- Luxurious design, modern look, perfect for new projects and renovations
- Suitable for underfloor heating, very good thermal conductivity
- Can be cut 45° and makes perfect right angle
